MEMORANDUM FOR David R. Hill
General Counsel

FROM: Craig A. Tucker 
Assistant Deputy Administrator
for Secure Transportation

SUBJECT: 2008 Annual Planning Summary for the
NNSA Office of Secure Transportation

In response to your memorandum of December 21, 2007, the following information is provided for the NNSA Office of Secure Transportation (NA-15) in Albuquerque, NM.

Status of Ongoing NEPA Documents

No ongoing documents.

Expected Environmental Impact Statements Within Next 24 Months

None are planned in the next 24 months.

Expected Environmental Assessments Within Next 12 Months

None anticipated for the next 12 months.

Evaluation of Whether A Site-wide Environmental Impact Statement Would Facilitate Future NEPA Compliance Efforts

Real Estate operated by the Office of Secure Transportation are scattered throughout the United States. Because of the varying environments, it is not practical to prepare a programmatic NEPA document and would not facilitate NEPA compliance efforts. For this reason, NEPA reviews are performed site specifically. The operations of the Office of Secure Transportation have been evaluated in programmatic documents (Stockpile Stewardship and Management, Pantex Site-wide and the Sandia Site-wide). Supplemental Analyses have been prepared for those documents. Current Operations remain bounded by the programmatic NEPA documents.

Please direct any questions regarding this summary to Jeff Robbins, NEPA Compliance Officer at (505) 845-4426.
